THE CONTAINER COLLECTION

[process » produce » pack » route = debark 010 encapsulated objects x reflection » event » action]

zillions of people

have been enlightened by mountains of books pushing toward transcendence

[habemus liber]

001

is an **art|object** saturated with **words + images** transmitting authentic graphic sparks from a XXI century scan of the ***hurricane zone*** [HZ]

reflects the work of over 100 young visual artists, writers and cultural thinkers

embraces demand for a spirit of true freedom and teaches to learn

challenges the mass-mental enslavement of a post-colonial art zoo

is the next stage from the **ZERO + landings** aftermath
